### **DOs & DON'Ts ON LIVING IN ENGLISH HOMESTAY PROVIDERS**

1. **DO** remember that we use the words 'please' and 'thank you' all the time in the English language.
2. **DO** try to live as a member of the homestay and spend as much time as you can with them when you are at home. This will help your speaking and understanding of the English language. If you are going to be late for a meal or miss a meal, **DO** tell your homestay in advance.
3. If you are over the age of 18, your homestay will give you a door key but if you are going to be late home **DO** tell your homestay in advance.
4. **DON'T** use any equipment in the home including kitchen equipment, for example, the cooker without first asking your homestay for permission. They might make a small charge for any electricity used. **DO** remember that if you would like somebody to visit you in your house you should ask your homestay first.
5. If you go on a school excursion or go away for the weekend, **DO** tell your homestay where you will be staying and how long you will be away.
6. Most foreign students will find English food quite different to their own. **DO** tell your homestay at the beginning of your stay if there is something you do not like, or are allergic to.
7. Your homestay will wash one load of your clothes each week.
8. **DO** remember that your booking consists of:
  - bed, breakfast and evening meal, Monday to Friday
  - a snack lunch on Saturdays and Sundays
  - students must not be asked to share a room unless arranged before arrival with the school
  - each bedroom must have a wardrobe, a desk, a table for you to do your homework, an upright chair, a mirror and a light
  - your homestay provider should wash your bed linen once a week
  - a daily bath or shower should be available
  - your bedroom should be warm enough

### **STUDENTS UNDER 18 YEARS OLD**

1. Students under the age of 18 must be home in the evening when their homestay provider tells them to be home. Students aged 16 or 17 years must be home by 22.30 from Sunday to Thursday and 23.30 Friday to Saturday.
2. Please remember that the minimum age for drinking alcohol in pubs/clubs and entrance into night clubs is 18. Please also remember that it is against the law to buy alcohol if you are under the age of 18. It is also illegal to drink alcohol in public places.
3. Return your front door key to the right place after each time you go out.
4. Please also read our information and Advice on Keeping Safe.

### DOs & DON'Ts ON STUDYING WITH US

These **DOs** and **DON'Ts** are to keep you safe and to help you make the most of your time with us.

#### ATTENDANCE

- 1 **DO** come to all of your lessons, that is how you learn! When you miss a class you need to explain your absence to the Director of Studies. If you are often absent without a good reason, you will have a meeting with the Principal.
- 2 **DO** arrange any absences from school with Reception in advance.
- 3 **DO** tell your homestay provider and the school if you are too ill to go to school. You should contact the school every day you are sick. Also, you should telephone 111 for an assessment or see a pharmacist if your illness continues.
- 4 **DON'T** be late for class – this disturbs the lesson and other students. You should be in school five minutes before the start of your first lesson. Your teacher may not allow you to enter the lesson if you are late. If you are regularly late, your teacher will report this to the Director of Studies who will meet you to discuss this.

#### RESPECT FOR EACH OTHER

- 5 **DON'T** break the law. Any student who commits an illegal act or who takes drugs may be expelled from the school and homestay provider immediately and there will be no refund of school fees.
- 6 **DO** smoke on the patio area in the garden where the Smoking Area sign is. Smoking is only allowed here and in the Smoking Area in the car park.
- 7 **DON'T** take food or drink to the classroom. **DO** take bottled water.

#### LEARNING

- 8 **DO** speak English at all times when you are at school. This is an English centre and we want everyone to speak English as much as possible. If you speak in your language, we will ask you to pay 10p. This money goes to our charity **Mind** which offers information and advice to people with mental health problems.
- 9 **DON'T** write in your course books. If you write in your course book future students cannot use it so you will need to pay for it. The average cost of a new course book is £25.
- 10 **DO** your homework. It is an essential part of your course.
- 11 **DO** turn off your mobile phone in class. This will help you concentrate better and help to improve your English.
- 12 **DO** enjoy your time at Westbourne Academy!

### **Looking After Your Belongings**

- if you move into new accommodation, don't leave luggage or belongings outside or in the open boot of a car/taxi
- mark your valuables with an ultraviolet pen to include your name, phone number, house number and postcode
- never leave cash, credit cards or other valuables such as mobile phones lying around
- make a list of your possessions including model and serial number
- don't use a computer case to carry a laptop. Use a less obvious case to carry it in. Always back up your work and keep it separate from your laptop
- avoid showing expensive items such as watches, jewellery, iPods, iPads or mobile phones in busy public places.

### **Safety on the Streets**

- always stay alert on the streets as you would in your own country. Try to use only routes which are well lit and busy
- if you are travelling late at night, walk in a group or use public transport or a taxi. Don't take shortcuts through dark alleyways, parks or canals/rivers
- don't carry large amounts of cash with you when you are out
- always keep your bag or coat with you
- make sure your phone has power and credit so that you can call a taxi if you need one
- be quick when using a mobile phone in public
- if you feel you are being followed, cross the street and move as quickly as possible to a public area
- avoid confrontation because it is better and safer to walk away
- always memorise your PIN (personal identification number) to access your money from a cash machine
- carry your bag close to you with the clasp facing inwards or strap it over your shoulder. If someone grabs your bag, let it go. Your safety is more important
- don't gather in large groups in public parks at night
- at night, please walk home in twos or small groups for better security.

### **Using public transport**

- if travelling by bus, try not to wait at bus stops alone. Arrange for someone to meet you at the bus stop if you are travelling late and have a long way to go
- if you can, take a taxi rather than walk the streets using your smartphone's satellite navigation system
- if you travel by train try not to sit on your own, try to sit near groups of people in a well-lit area
- when you are on the train, store your luggage as close to your seat as possible and check it when the train stops at a station
- check the time of the last train or bus home so that you don't miss it at the end of the evening
- always have cash on you for back up travel arrangements if needed
- try to avoid walking alone after getting off a train or bus
- never walk across or touch railway lines.

### **Using taxis**

- if you don't feel safe walking, especially late at night, use a taxi
- never use an unlicensed taxi company. Check the back of the taxi to make sure it has an official licence plate before you get in
- if the taxi does not have a meter, agree the fare with the driver before you get into the taxi in order to avoid misunderstandings when you get to your destination
- sit in the back of the taxi and directly behind the driver whenever possible
- have your cash ready and leave the cab before you pay the driver.

### **Laws in the UK**

- UK laws, especially about use of tobacco, alcohol and self-defence sprays, may be different from those in your home country
- you must be 18 and over to buy tobacco and remember that smoking is prohibited in work places and enclosed public spaces
- it is illegal for anyone under the age of 18 to buy alcohol or to have alcohol bought for them
- it is illegal to carry any sort of weapon including knives, self-defence CS gas sprays or guns
- never buy property that you think may be stolen.

### **Bicycles**

- make sure that your bicycle has proper lights front and back because these are compulsory if you ride at night
- don't cycle on the pavement anywhere because there is an automatic fine of £30 for anyone caught riding on the pavement.
- we advise you to wear a helmet at all times when riding a bicycle
- you should also wear some reflective clothing if you ride at night
- use a good locking device to reduce the chance of theft
- if you want, you can have a special number engraved on your bicycle and register it with the police
- never wear headphones while you are cycling
- you must always cycle on the left hand side of the road
- always obey traffic light signals – they are for bicycles as well as motor vehicles
- always take care at roundabouts and road junctions.
