

Online Safety Advice!

- 1) Don't post any personal information online – like your address, email address or mobile number.
- 2) Think before posting pictures or videos of yourself. Once you've put a picture of yourself online most people can see it and may be able to download it, it's not just yours anymore. **IT IS ON THE INTERNET FOREVER EVEN WHEN YOU DELETE IT.**
- 3) Keep your privacy settings as high as possible
- 4) Never give out your passwords
- 5) Think about what you say before you post something online
- 6) Respect other people's opinions, even if you don't agree with them.
- 7) Log off the computer when you are finished.
