

Meet the staff

**Justyna,
Finance Assistant**

I joined WA in February 2022 and I work as a Finance Assistant. English is not my first language, therefore I can relate to the students coming to our school and wanting to learn and improve their linguistic skills. I enjoy working with numbers and I can always count on my colleagues' help, if needed. Outside of work, I attend dance classes and enjoy running. My favourite time of the year is summer, where I can savour the seafront, dancing and having barbeques with my friends.

Recent activities

Bowling & beach volleyball

Great location!

Westbourne is located near to the town centre of Bournemouth and a short walk from the beautiful beaches. Westbourne village contains award winning restaurants, a variety of small shops, banks a post office and much more
