### **Your Accommodation**

We hope that you will be very happy in your accommodation during your stay. Please make sure you have your homestay provider's contact number saved in your phone. Your homestay provider will give you a map with information on your journey between home and school. If you have any problems or concerns, please speak to our accommodation team at Reception. Vanessa, our Accommodation Officer, will be happy to help you.

### **Lunch**

We have a lovely canteen in Westbourne Academy where you can buy hot or cold food and drinks. The average cost for lunch and a drink is £5. However, if you want to go out for lunch, there are lots of cafés, shops and restaurants in Westbourne. Please go to Reception if you would like a map.

Remember that a snack lunch is included as part of your accommodation at weekends, so make sure that you keep your accommodation provider informed about your weekend plans.

### **Transport**

#### ***Getting Lost***

If you are not sure how to get somewhere, ask our reception staff or your homestay providers for help. For Westbourne Academy activities, the staff will give you a map showing the location. You can also call the emergency telephone number for help.

#### ***Safety on the Streets***

- Always stay alert on the streets as you would in your own country. Try to use only routes which are well lit and busy. It is important to remember that in the UK, we drive on the LEFT hand side of the road. Remember this when crossing roads and always try to use a pedestrian crossing.
- If you plan to cycle, please use cycle lanes where possible. It is important to always wear a helmet.
- If you are travelling at night, walk in a group or use public transport or a taxi. Don't take shortcuts through dark alleyways or parks. Make sure your phone has power and credit so that you can call a taxi if you need one.
- Don't carry large amounts of cash with you when you are out.
- Remember to always keep your bag or coat with you. Do not leave your items unattended.

#### ***Using public transport***

- Put your hand out as the bus is approaching the stop. This tells the bus driver you want to get on.
- Don't wait at bus stops alone. Arrange for someone to meet you at the bus stop.
- Check the time of the last train or bus home so that you don't miss it at the end of the evening. Remember that these times may be different on Sundays and Bank Holidays. You can buy bus tickets from reception or on the bus itself with cash.
- Store your luggage on the train as close to your seat as possible.
- Take a taxi with a friend rather than walk the streets using your smartphone's satellite navigation system. Taxis in the UK are usually paid in cash. We recommend using the following company; Ariel Taxis +441202 747333.

## **Laws**

In the UK it is illegal for anyone under 18 to buy tobacco. Smoking is illegal in enclosed public spaces.

## **Social Time**

### ***Westbourne Academy Social Programme***

Westbourne Academy have a social programme for activities and excursions during the evenings and weekends. You will find more information on these in your classrooms, in the cafeteria and at Reception.

During some of our weekend excursions, you will have your own free time. It is important that you are always with at least two other students. Do not walk off on your own. The teacher will give you instructions and a map.

We recommend joining our programme as much as possible as they're fun and they will give you a great opportunity to practise your English with others. Sometimes, we organise excursions with local travel companies. If you wish to join one, we will need written consent from a Parent/Guardian before we can add your name to the list.

Please speak to us at Reception if you would like more information.

We recommend you do not travel independently outside of the local area. If you plan to do so, you will need to tell a member of staff at reception and your homestay provider.

## **Free Time**

- Make sure you stay with friends when travelling in and around Bournemouth. It is important to make sure that your mobile phone is charged at ALL TIMES so that you can be contacted if needed.
- Make sure that you give yourself enough time to return home for dinner with your homestay provider.
- Always travel with a friend from Westbourne Academy. We ensure that all of our accommodation is within the same area so that you can travel together.
- Avoid Bournemouth Gardens, parks, the Pier Approach and the beach when out past 9PM
- Be home Sunday to Thursday by 10.30pm and Friday to Saturday by 11.30pm. If there is an emergency and you are going to be late, you must call your homestay immediately
